CAREER OBJECTIVE

Computer science student with a passion for learning, innovation and technology. Looking to utilize my experience as a strong programmer and team leader in a collaborative software development internship.

EDUCATION

MIDDLE TENNESSEE STATE UNIVERSITY

Aug 2024 – May 2028

- GPA: 3.4/4.0
- Bachelor's in Computer Science

HARVARD UNIVERSITY - HarvardX

Dec 2023

- CS50x: Introduction to Computer Science Certificate

TECHNICAL SKILLS

- **Web & Development:** HTML, CSS, Tailwind CSS, React, Python, SQL, JSON
- **Tools & Platforms:** Git Version Control, Adobe Creative Cloud, Figma, Docker, Markdown

EXPERIENCE

Middle Tennessee State University - Business and Economic Research Center (BERC)

Web Developer – Digital Research Journal Platform

Aug 2025 – present

- Developed an interactive web platform using React and Tailwind CSS to digitize BERC's research journals, featuring a responsive layout, role-based login system, and enhanced accessibility through flipbook-style PDF viewing.

MTSU Soccer Club

Founder President

May 2025 – present

- Founded and lead a 110+ member organization promoting competitive and recreational soccer at MTSU. Managed sponsorship outreach, budget allocation, and event coordination, enhancing student engagement and community visibility.

Malibu Roleplay

Founder / Lead Developer / Designer

Jan 2024 – Aug 2024

- Directed a volunteer development and design group of ~30 contributors to build and optimize a large-scale multiplayer game server (FiveM) with 130+ monthly players.

CodeM

Community Manager & Quality Assurance Coordinator

2023 – 2024

- Provided customer and technical support for CodeM, an international FiveM asset store serving 6000+ clients.
- Assisted users in troubleshooting purchased scripts and verifying reported bugs.
- Communicated verified issues to developers for timely resolution and improved product stability.
